HAIL TO MEN

Even unto old age you may feel the vigor of youth, with its light heart, elastic step, courage and tireless energy. You may be free from pains and aches and defy your years.

There is a fountain of perpetual youth, and you have only to reach out your hand and take it. You can drink of it until your heart shouts with gladness, and with all your might you will proclaim, as other men have:

"I AM A MAN!"

Like the giants of old, you can be in your prime at 60—strong, vigorous and full of youthful enthusiasm.

John Page, Boulder Creek, Cal., writes, after wearing Dr. McLaughlin's Electric Belt: "I have no aches or pains now, and the varicose has disappeared. I did not think it possible for me to obtain relief from my sufferings, but the Belt has surprised me. I feel as young as I did thirty years ago, and nothing could induce me to part with it."

It cures Rheumatism, Lame Back, Sciatica. Call and see it today or send for free book about it. I will send it sealed if you send this ad.

POLITICS ARE LIVELY IN NAVY CIRCLES

Washington, March 8.—Not since Rear Admiral Schley made request for a court of enquiry to investigate his conduct during the Spanish-American war have naval circles been so interested as in the coming court-martial of Major L. W. T. Waller and Lieutenant J. H. A. Day, of the Marine Corps. It was today learned that the charges against these officers is that they inhumanly killed, without trial, natives of the Island of Samar. Back of this charge, which few officers think will be substantiated, it is said, there is a deep-laid plot against Major Waller. According to report, this trial bids fair to be of equal importance and interest to the famous Schley controversy.

There are two factions in the Marine Corps. Both are anxious to select the successor to General Heywood as commandant, upon his retirement in the near future. The staff is working for the appointment of Colonel Read, or Lieutenant Colonel Denny; and the line desires Colonel Meade or Major Waller. It is even possible that Major Waller would be the first selection of the line.

The recent court-martial and complete exoneration of Colonel Meade on charges preferred by staff officers, is said to have direct connection with the machinations of certain influences to prevent that officer from ever becoming commandant. It is noted in this connection, that the court of enquiry, which first acted on the Meade case, found him guilty of every important charge, while the court-martial of later date, with practically the same testimony, "most honorably" acquitted him.

Now come the charges preferred against the next most prominent candidate from the line for commandant. Even if Major Waller is acquitted, of course, his record will be smirched to some extent by the fact that he has been made to answer to charges which amount to accusations of murder. The next development in this interesting drama is awaited with much expectation by officers of the Army, Navy and Marine Corps.—Times.

A wedding without a ring seems incongruous, but in Cadiz, Spain, no ring is used. After the ceremony the bridegroom moves the flower in the bride's hair from left to right, for in various parts of Spain to wear a rose above your right ear is to proclaim yourself a wife.
